

Hi!

I'm Mrs. Schwab

Teaching reading is a passion of mine. This will be my fifth year teaching at WES. I live in Corfu, near Darien Lake Theme Park. I am very excited to have the privilege of working with your child and begin instruction. We will be focusing on strategies that support your child's strengths and also help improve his/her reading skills.

I have received information related to your child's current reading skills. Communication is key, so if there is any information you would like to share with me, or if you need to get in touch for any reason, do not hesitate to contact me via phone (585-786-8000 ext. 1203) or email (mschwab@warsawcsd.org).

I look forward to getting to know your child and to working with them this school year.

Sincerely,
Mrs. Marla Schwab, Literacy Specialist
